OUR MISSION STATEMENT

The mission of the Troy Church of Christ is to exhibit growth and development in the faith, love, and devotion of our members to Christ our Lord thru the recognition and utilization of the talents and skills of each member and thru the teaching of the Word of God. The Church will eagerly embrace the opportunity to share the love of Christ thru acts of service to those in need in the surrounding community via partnerships with community organizations and relationships of the congregation's members, all for the purpose of winning souls to Christ himself.

"27 Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world"
James 1:27

"19 Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, 20 and teaching them to obey everything I have commanded you. And surely, I am with you always, to the very end of the age."
Matthew 28:19-20

The Rainbow

*"I have set my rainbow in the clouds and it will be the sign of the covenant between me and the earth."
(Genesis 9:13).*

How often do we see a rainbow after a rain or even a storm and marvel at the beauty of the colors? I have done that many times in my life. It is one of the wonders of the natural world in which we live. God has given us so many things in life that show us the beauty of His creation. How often do we take time to thank Him for the beauty of nature around us and the glory of the universe in which we live? Perhaps not often enough! After the great flood, I am sure that Noah and his family must have wondered what sign God might give to assure them of His care and blessing. That is the purpose of the rainbow. It is to give us assurance that God loves us and will not again destroy the earth with a flood as He did before. In fact, God promised to maintain all of nature until the end of time. "as long as the earth endures, seedtime and harvest, cold and heat, summer and winter, day and night will never cease." (Genesis 8:22) He has promised to take care of us. The rainbow and the natural cycle of life is the proof He constantly gives.
