Ann Terry

Congregational Mtg - Tuesday, November 6, 2018  
@ the building

Ladies Class - Tuesday, November 13, 2018  
@ Dawns's 6:30pm

#### **OUR MISSION STATEMENT**

The mission of the Troy Church of Christ is to exhibit growth and development in the faith, love, and devotion of our members to Christ our Lord thru the recognition and utilization of the talents and skills of each member and through the teaching of the Word of God. The Church will eagerly embrace the opportunity to share the love of Christ through acts of service to those in need in the surrounding community via partnerships with community organizations and relationships of the congregation's members, all for the purpose of winning souls to Christ himself.

"27 Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world"

James 1:27

"19 Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit,  
20 and teaching them to obey everything I have commanded you. And surely, I am with you always, to the very end of the age."

Matthew 28:19-20

# Welcome

## November 4, 2018

### Today's Service:

Sermon: Dan Farrington  
Songs: Duane Cefalu  
Communion: Dan Farrington

*Inspiration:*

*It does not matter how slowly you go as long as you do not stop.*  
~ Confucius

---

*Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus.  
1 Thessalonians 5:16-18*

In 1927, in West Africa, a man named Asabi was sick with yellow fever. He gave a sample of his blood for the purpose of making a vaccine. After much work, testing, and failing, the vaccine was successful. Even to this day, all yellow fever vaccines are part of that original strain taken from that humble man. The blood of that one man served the whole human race. To a much greater degree, the blood of a man who lived and died over 2000 years ago has served, indeed saved, the whole human race from Adam to the end of time. That man is our Lord Jesus Christ. His blood, which cleansed sins in the first century, is still cleansing today. "If we walk in the light as he is in the light, we have fellowship one with another, and the blood of Jesus Christ His Son cleanses us from all sin."(1 John 1:7) We are redeemed by this blood (1 Peter 1:18-19). We are justified by His blood (Romans 5:9). We are washed and made white in His blood (Revelation 7:14). I am thankful that the blood of Asabi prevented yellow fever. I am more thankful that the blood of Christ saves us.

~John Wright
