# The Church of Christ

---

## What is the Church of Christ?

- Neither Catholic, Protestant nor Jewish we are non-denominational Christians. (Christians only)
- We are independent—No headquarters. Christ alone is the head and Savior.
- We believe the Bible is all we need to learn, to know God and please Him.
- Those who obey the Gospel of Christ, become members of His Church.
- A family of members from all walks of life, unified in Him, who strive to live according to His will to do His good works on this Earth.

## The Blessings of Being "Just Christians"

- Assurance of the forgiveness of sins.
- The indwelling of the Holy Spirit of God to help us live the Christian (Christ-like) life.
- Assurance that God will meet our real needs.
- Confidence that God hears our prayers directly and will answer them according to His will.
- Fellowship and friendship of Christians.
- Growth in knowledge and wisdom for living.
- The fulfillment of the promises of God.
- Assurance of eternal life in Heaven with the Almighty God.

Come and see for yourself what Christ's family is all about, and let us know how we can serve you!
